<https://www.linkedin.com/in/aromal-s-developer> | <https://github.com/arOmal-5> | <https://aromals.netlify.app>

Highly motivated MERN stack developer with 6 months of experience in designing, developing, and deploying full-stack web applications. Proficient in MongoDB, Express.js, React.js, and Node.js, creating robust and scalable applications. Effective collaborator with a knack for solving complex problems and meeting deadlines. I am passionate about learning new technologies and improving development practices.

WORK EXPERIENCE

Associate Front-end Developer

Feb 2024 – Jun 2024

IHDC Building systems | Kakkanad, Ernakulam

- Developed and maintained web applications using React.js.
- Collaborated with designers and back-end developers to create seamless user experiences.
- Utilized version control systems like Git for efficient project management and collaboration.
- Integrated RESTful APIs to fetch and display dynamic data.
- Created a frontend for a SaaS project using Tailwind CSS to enhance the user interface and streamline the design process.

PROJECTS

Social Media – Amity Hub

[View in GitHub](#)

- Leveraging the power of MongoDB, Express.js, React, and Node.js, this project offers users a dynamic and interactive space to connect, share, and communicate.
- Enabled users to create accounts, edit their details, and post fees.
- Added functionality for sending and receiving friend requests.
- Incorporated options to follow and unfollow other users.
- Enabled users to like and comment on posts.

Builders and Real Estate

[Live URL](#)

- Developed a comprehensive webpage for Builders & Realty using Next.js, focusing on construction and real estate services.
- The project involved designing a user-friendly interface, creating engaging content, and ensuring seamless navigation.

Media Player

[Live URL](#)

- Developed a media player using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Built responsive UI with React.js and managed state using Redux.
- Implemented CRUD operations for music management and a history feature for watched items.

EDUCATION

Bachelor of Computer Application (BCA)

Pursuing

Indira Gandhi Open University

MERN Stack Development Course

Jun 2023 – Jan 2024

Luminar Techno Lab, Ernakulam

Diploma in Mechanical Engineering

July 2018 – May 2021

Sree Narayana Polytechnic College, Kollam
